

# NORMAFIX® HVAC Clip

Developed by global market leader NORMA Group, the patented NORMAFIX HVAC clip is a one-size fits all solution that allows distributors to serve the ever growing list of HVAC needs by stocking ONE single product.

This not only introduces simplicity into the sales process, but increases profitability and offers cross-selling opportunities.

## Economical

- Cost effective, lightweight and flexible alternative to spiral hose clamps

## Flexible

- Suitable for both clockwise and counterclockwise spiral hoses

## Strong

- Patented design for strong clamping force around the hose

## Simple

- Simple installation by hand, no special tools required

## Easy and Reliable Installation

Research shows that customers demand ease of installation along with compatibility and fit. The NORMAFIX HVAC Clip can be installed in six simple steps.

# NORMAFIX® HVAC Clip

## Your Inventory, Managed.

Now with NORMA, one part replaces 132 skus currently used in the majority of HVAC applications, making your business more profitable and reducing inventory significantly. Keeping dozens of spiral hose clamps in stock is a thing of the past. This all-new clamp is made in the USA from globally sourced components.

## Increase profitability and reduce inventory in the growing HVAC market.

- | 35% minimum margin
- | 132 products replaced with 1
- | 3 cross-sell opportunities
- | 0 tools required

The NORMAFIX® HVAC Clip is a one type fits all solution for fixing spiral hoses.

## Product features

- Types:** 1 size fits all
- Material:** Polyamide 6.6
- Diameter:** Max. 220 mm
- Note:** 9 mm cable tie required

## What you'll love about the product

- Patented-solution prevents low-end knock-offs
- No delivery problems
- No large stock keeping at the NDCs
